Dear Sir or Madam:

I represent Puget Sound Truck Lines in connection with potential environmental remediation claims by the Department of Ecology under MTCA. These claims include Notices of Potential Liability under the Model Toxic Control Act pursuant to RCW 70.105D.040. The sites that are the subject of these notices are set forth above. My client was the alleged owner

and/or operator of the designated sites located in Everett, Snohomish County, Washington. True and correct copies of these notices are attached as Exhibits A and B.

Based upon information and belief, the allegations contained in these notices trigger liability coverage available under certain liability policies, including without limitation those policies listed above. Your company covered Puget Sound Truck Lines during the period of the alleged occurrences.

My client hereby tenders indemnity and defense of this claim to your company pursuant to the terms of the above-referenced insurance contracts. Please respond to the undersigned within the time limit prescribed by the Washington Administrative Code.

Very truly yours,

David B. Jensen
